

6th December 2023

Dear Parent(s)/Carer(s)

Reading at Home

This term we are introducing reading at home for KS2 pupils. All pupils have been provided with a book bag, reading record and a book at their appropriate reading level. Books will be coming home on Mondays and should be returned daily. We will not send books home at the weekend; however, pupils will be able to access Myon at home during the weekend.

It would support your child's reading progress if you could take some time each day to read with them and to write a comment in their reading record. It doesn't have to be very long, but this will encourage your child to read for pleasure. We have provided a support sheet to help you when reading with your child.

We have many beautiful new books, which are now available in our refurbished library and we want to share the love of reading with our pupils, outside of the classroom, as well as in school.

We hope that you enjoy the books as much as the pupils are.

Yours sincerely

Mrs Sarah Gordon
Deputy Headteacher
