

20<sup>th</sup> April 2020

Dear Student, Parent/ Carer,

**Summer Term 2020**

Firstly, I hope you and your families are safe and well at this time.

Although the summer term has officially started, I would like to make it clear to all students, parents and carers that the key message remains 'Stay Home and Save Lives'.

With the Lockdown being extended for at least another 3 weeks, we are aiming to continue:

- i) Remote learning packages for all pupils
- ii) Welfare calls on daily basis or as agreed with family
- iii) Therapy calls if this service is already in place

If there are any significant issues of which your school should be aware, please inform the member of staff who calls you or contact the emergency contact number given in my previous letter.

We are in the midst of processing the next batch of FSM vouchers for all eligible students and these should be with you this week. If you do not receive them, please notify the school on Friday 24<sup>th</sup> April.

We are communicating regularly with personnel from the Local Authority to ensure that safety is the key focus for all our pupils and staff at this time and want you to be assured that we will follow all guidelines provided to ensure members of our Trust community are kept as safe as possible at all times.

I realise these are very concerning times and rest assured we will continue to do everything we can to support you during this national crisis. We are grateful, as always, for your support and understanding.

I wish you all the very best, good health and please stay safe and stay at home to save lives.

We will provide any further key updates through calls with parents and also publish them on our websites.

Yours faithfully

Neil Miller  
Executive Head teacher
