Introduction

Bromley Beacon Academy is a school for students with a range of social emotional and mental health needs as well as a range of secondary special educational needs and as a school, its most important role is to offer the best education possible to the students who attend.

We know that behaviour is a form of communication and a student's poor behaviour is often a communication that is saying they are finding it difficult to cope with issues either within their home or school life. This may cover a wide range of problems which could include unmatched learning, social issues or mental health issues.

Many of our students have complex needs and can present their own challenges. However, we know that our school will provide the stability, consistency and care which will allow them to develop and thrive in a safe environment. Our staff within the school recognise the difficulties that our students are facing and will act with compassion and understanding in their interactions with them. Staff always aim to build good relationships with students so that they understand their needs and are able to support learning and behaviour to maximise potential and achievements.

This policy has been written with regards to the Equality Act 2010 and public sector equality duty, BBA recognises that reasonable adjustments to the application of this policy will at times have to be made where required to meet individual needs.

1. Principles of Behaviour management

1. We encourage all students to learn and understand that they have rights and responsibilities towards themselves and the wider school community and society.
 - 1.1. Developing an appropriate relationship with students of all ages, based on mutual respect, is the most appropriate way of ensuring the effective management of behaviour. Good communication and positive reinforcement will often diffuse confrontation. Staff should seek to de-escalate incidents at the earliest possible opportunity.
 - 1.2. Rewards and praise are given emphasis over sanctions and reprimands. Positive behaviour can be rewarded with verbal praise, certificates, prizes, school reward trips etc. There will be more emphasis placed on a student exhibiting positive behaviour than on displaying unacceptable behaviour.
 - 1.3. Where sanctions are necessary, they will be proportionate to the unacceptable behaviour. They must be issued fairly and the reason for the sanction and the future expectation explained to the student in clear terms which they can understand.
 - 1.4. Behaviour management in the school involves trying to modify the behaviour being displayed by students with complex needs. Behaviour management strategies are not guaranteed to succeed. They will require staff to be resilient, consistent and calm in supporting our students.
 - 1.5. Strategies should be 'SMART' – Specific, Measureable, Achievable, Realistic and Timely. The nature of the strategy may correlate directly to how well the member of

staff knows the student and the success of a strategy will largely depend upon the relationship between the student and the member of staff leading the strategy.

- 1.6. It is important that achievement and improvement, in any area, is acknowledged and celebrated. Staff must seek to actively promote regular achievement so as to develop student self-motivation.
- 1.7. Due to the age range and differing needs of our students within the school it is not appropriate for the same behaviour management strategies to be applied across all provisions within the Trust.
- 1.8. The main differentiation will be seen when considering the age differences between KS1 at the Midfield Campus, KS2 and KS3 at the Orpington Campus and KS4 and KS5 at the Bromley campus.
- 1.9. Bromley Beacon Academy believes that we all respond better to encouragement and support rather than negative response. To develop this the students are taught that:
 - I can work towards my five targets including three academic targets and two social, emotional and mental health targets
 - I can make healthy choices about my physical, emotional and mental well being
 - I can respect myself, other people and the school environment

Using the 'I can' statements we encourage students to understand that 'Thoughts create feelings, feelings create behaviour, behaviour reinforces thoughts'. This is considered through everything we do.

2. Processes

At Bromley Beacon Academy, we work closely with the schools Youth Policing Team. This collaboration enables early intervention and gives the students the opportunity to make amends whilst working with adults they trust. If serious incidents occur, then it may also be necessary to involve the Police. As an absolute last resort, this may also involve the student being excluded from the provision for a period of time. Fixed-term exclusions are at the discretion of the Headteacher.

2.1. (i) Expectations KS1 Midfield Campus Expectations (Appendix A):

Bromley Trust Academy believes that we all respond better to encouragement and support rather than negative response. Therefore, at Midfield Campus KS1 students are expected to take responsibility for their learning and adhere to the positive rules.

(ii) Expectations KS2&KS3 Expectations (Appendix B):

Clear expectations are displayed throughout the school. Students are reminded daily of the expectations when in school in order to prevent any unacceptable behaviour. Each statement begins with 'I can' in order to emphasise students making positive choices.

(iii) Expectations KS4&KS5 Expectations:

Clear expectations are displayed around the school. Staff prompt students when they are not managing their behaviour appropriately. Pastoral teams work closely with both students/Parents/Carers to reinforce these expectations.

2.2. Sanctions:

The use of sanctions alone has not been found to be effective in altering patterns of behaviour in students with complex needs; instead the use of sanctions can often create frustration leading to further issues. Where this is the case this must be communicated to all staff. We need to ensure that restorative justice, emotional coaching and positive praise are at the heart of our practice.

2.3. Serious Incident Reports:

All serious incidents must be recorded on CPOMs and individual student positive behaviour support plans amended. These reports are central to post-incident procedures, particularly where a parent/carer meeting is required.

2.4. Sending home:

The School will endeavour to ensure that students are only sent home through (a) illness or, (b) if it is unsafe for a student to be in school. The School recognises that external exclusion should not be routinely used but there are circumstances in which exclusion is appropriate. Staff must complete the CPOMs log for serious concerns and alert the Headteacher.

2.5. Responsibility and Reparations:

A student accepts responsibility by:

- Giving their version of what has happened either verbally or in writing
- Understanding other versions
- Outlining what they could have done differently to avoid conflict
- Making reparations, including apologies where appropriate, for their actions
- Reparations may include a written and/or verbal apology. It may also include community service or a financial repayment for damages to school property or to another student's property.
- Restorative conversations or practice

2.6. Exclusion and Post-Exclusion Process:

The decision to exclude is that of the Headteacher.

At the conclusion of the exclusion, the student will return to school with a parent/carer for a post exclusion meeting with the Behaviour/Pastoral Lead or SLT. This is the forum at which the student will be expected to take responsibility for their actions and embrace a process for reparation. Persistent and repetitive misbehaviour or violent behaviour may result in the police being called to the school. If the incident has required Police intervention, then the Youth Policing Team Schools Officers will be asked to attend the reintegration meeting where possible.

The Headteacher may decide that students returning from such exclusions may, for a temporary period, be placed on a reduced timetable to enable them to re-integrate more successfully.

Please see the exclusion policy for further details.

2.7. Conflict and closure:

To ensure an effective closure to any given incident, it is essential that the student or students feel secure and confident that there is no lasting resentment; that there is no likelihood of a repeat incident and that the perpetrator feels forgiven. Restorative conversations or practices to form part of this process.

2.8. Therapy:

Students may be offered therapy as a supplement to other behaviour management strategies and parents/carers may be given the opportunity to be referred to external agencies and the Therapy and Wellbeing Team.

2.9. External Agencies:

Supporting students may involve external agencies. This can include Social Services, The Safer Schools Police Team, the Bromley Well-being Service, The Educational Welfare Service, The Educational Psychology Service, Change.org, The Youth Offending Team and Bromley Children's Project, and other relevant agencies as required.

2.10. Discrimination and Bullying:

Challenging discrimination and bullying is part of a broad educational provision at the school, both within and beyond the formal curriculum. These issues are dealt with as specific behaviours requiring particular management procedures.

Any form of negative behaviour designed to denigrate or humiliate another member of our community, physically, verbally or emotionally is dealt with appropriately. Our response is to support the victim and the perpetrator.

Incidents of discrimination/bullying are recorded on our bullying log and drawn to the attention of the Senior Leaders fortnightly; such incidents are recorded daily by staff on CPOM's as well as on a bullying form. The incidents are logged by the behaviour lead and students are placed onto the bullying ladder. This ladder, showing stages of individual students, is shared with staff regularly. SLT make decisions about stages of the bullying ladder.

2.11. Off Site /Out of Bound:

Supervision of all aspects of the school day is essential for the safety and welfare of our students. Therefore, there needs to be a clear response to students going off site or out of bounds and travelling to and from school. The vast majority of our students travel by taxi and we work with the companies to ensure acceptable behaviour is demonstrated in the vehicle. Should a KS2 student abscond or leave the school site a member of staff will follow and the student will be encouraged to return to site, if unsuccessful the student may be escorted back onto the school site for their safety. Should a KS3, KS4 or KS5 student abscond or leave the school site their parent/carer will be informed, should the student not return to school within ten minutes or there are concerns for the students' safety a call will be made to the police.

2.12. Other Misbehaviours:

Other common misbehaviours will be dealt with by staff in attendance. Such misbehaviours include play fighting, foul and abusive language, name-calling and provocation. These behaviours should always be challenged as inappropriate and unacceptable and there should be clear consequences for such behaviour.

2.13. Use of Social Media:

The Headteacher will take firm action against any student who posts defamatory or intimidating messages or images on social media such as mobile phones, internet sites, chat rooms, social networking sites or similar, in or out of school, about another student or member of the school's staff. This may well include the schools police team meeting with the student to discuss the severity and repercussions of the incident.

3. Rewards

3.1. (i) KS1 Midfield Campus Rewards:

By adhering to the rules (Appendix A) students are able to earn the following rewards as acknowledgement for their positive behaviour:

- Students earning behaviour ticks and bonus ticks
- Verbal praise and acknowledgement
- Stickers
- Positive phone-call home
- Postcard home
- Silver time
- Certificates
- Earning 10 minute rewards tokens/activities
- Class merit trips
- Other reward trips

(ii) KS2 & KS3 Rewards:

Students are rewarded for their positive behaviour and choices by the following:

- Students earning 'Carrot Rewards' points
- Verbal praise and acknowledgement
- Stickers
- Positive phone-call home
- Golden time (KS2 and KS3)
- Certificates linked to LIFE (please see visual consequence prompt below)
- Reward vouchers linked to 'Carrot Rewards' points
- Class merit trips
- Other reward trips

(iii) KS4 & KS5 Rewards:

Students are rewarded for their positive behaviour and choices by the following:

- Verbal praise and acknowledgement
- Positive CPOMS log
- Certificates linked to RHITT values
- Certificates for academic progress and participation
- Reward vouchers
- Reward trips
- Pastoral Leads awards
- Behaviour awards
- ½ termly Headteacher Award
- Attendance draw with vouchers for JD Sports
- End of term attendance awards from Head Teacher

- Carrot rewards

3.2. Certificates:

At the end of each week, students are awarded certificates at a special assembly. These are for effort and attainment in line with the schools core values of LIFE (KS2 & KS3) and RIHHT (KS4 & KS5).

3.3. Annual Awards Evening:

Ten students from each site are chosen by staff who have shown quality learning and behaviour and prizes are presented to them at our Autumn annual awards evening. A head student/s is also chosen to win an award. Awards are also given for progress and attendance.

3.4. The Jack Petchey Award:

The Jack Petchey Award is for achievement. Mr Jack Petchey, a self-made millionaire and philanthropist, has awarded the school £300 each term for the most deserving student to spend on a school-based activity or resource of his/her choice. There is also a Leaders' Award for an adult who has made a significant contribution to the school. Staff nominate students who regularly display the Trust's core values. The student who receives the most nominations receives the Award. All Jack Petchey winners and their parents/carers attend an annual civic reception where they meet the Mayor and local dignitaries and receive a medal.

3.5. Attendance and uniform:

All students are expected to attend each day punctually and in uniform. The Headteacher presents a weekly award for consistent high attendance and achievement throughout the Key stages.

4. Sanctions

(i) KS1 Midfield Campus Sanctions:

- Entries onto the tick sheet
- Information on CPOMs
- Restorative Justice conversations
- Time made up at break or lunch
- Telephone call to parents/carers
- Requiring parents/carers to attend the provision
- Working in a different class/classroom
- Use of the Quiet Room
- Internal Exclusion
- External Fixed Term Exclusions

4.1. (ii) KS2 & KS3 Sanctions:

Authorised sanctions within the school include:

- Restorative practice conversations
- Telephone calls to parents/carers
- Requiring parents/carers to attend the provision
- Negative log on carrot rewards

- Sessions for restoratives or work owed (during break or golden time)
- Internal exclusion in our Inclusion Suite
- Outside Ban
- Detentions (Break, lunch, after school)
- Safer Police school team intervention
- External Fixed Term Exclusions

(iii) KS4 & KS5 Sanctions:

Authorised sanctions within the school include:

- Restorative practice conversations
- Catch-up during the school day (break time/lunchtime)
- Behaviour detentions during lunch time or after school
- Telephone calls to parents/carers
- Requiring parents/carers to attend the provision
- Internal exclusion in our Inclusion Hub
- Safer Police school team interventions
- External Fixed Term Exclusions
- Curriculum detentions during lunch time or after school
- Internal/External exclusions
- Courtyard bans

4.2. Pre-empting issues:

Our intention is to pre-empt violent and negative behaviours through close supervision of students at all times during the school day. Staff should be looking to identify potential triggers and incidents before they occur by studying the body language and moods of students. A quiet word of enquiry at this stage can be highly revealing and staff are expected to communicate concerns promptly. High and consistent expectations combined with early interventions around minor misdemeanour can pre-empt and prevent major misbehaviours.

4.3. Violent, Threatening and Unsafe Behaviour:

The School must remain a safe environment in which teachers are able to teach and students can learn. We have a zero tolerance attitude towards violent behaviour, therefore students who behave violently may face an internal exclusion or fixed-term external exclusion. It is the clearest way of demonstrating to students that we do not accept violent conduct.

4.4. In class Supervision and Support:

A member of staff may judge that a student would benefit from in-class support in order to compose her/himself, discuss a source of grievance or anger, reflect and re-compose before returning to their learning group.

4.5. (i) KS1 Unacceptable behaviour:

It is important for both students and staff to be clear on the expectations (Appendix A) placed on the students and the consequences should these not be followed. Generally these consequences will involve a recording of behaviour on the student's 'tick sheet', a restorative justice conversation, a period of supervised time out from class and a telephone call to parents/carers, or a face to face conversation where children are collected by parents.

(ii)KS2 & KS3 Unacceptable behaviour:

It is important for both students and staff to be clear that when unacceptable behaviour occurs, there will be appropriate consequences. Generally, these will involve two warnings followed by a restorative conversation with a member of staff and/or other students, a period of supervised time out of class, a period of time spent in the inclusion suite or a telephone call to parents/carers.

(iii) KS4 & KS5 Unacceptable behaviour:

It is important for both students and staff to be clear that when unacceptable behaviour occurs, there will be appropriate consequences. Generally, if a student gets to warning 3 they may be removed and taken to the Inclusion Hub. Subsequently the student will receive a 20-minute lunch time detention. However, students are able to redeem a maximum of 10 minutes from their lunchtime detention by earning green cards. Each green card allows students to redeem 5 minutes of their lunch time detention. The Inclusion Hub manager in conjunction with the behaviour team and classroom teacher will have a restorative practice conversation with the member of staff/student involved during the detention.

4.6. KS1 Midfield Campus:

Student behaviour is monitored at short, regular intervals throughout the day by the Class Team, through the use of a 'Smiley Face Chart'. Learners are awarded smiley faces, provided they have followed the school rules for the majority of the individual session and have met their individual targets. Each student takes their chart home at the end of each day, so parents/carers are able to reflect with their child on the school day.

4.7. KS2&KS3 Visual Carrot Rewards Prompt:

These are displayed across the school and in every classroom in order to remind students of the positive reward points they can earn each lesson (appendix C). During each lesson students are able to earn points based on the schools core values of Learning, Independence, Friendships and Emotions are displayed through the school using the acronym LIFE. LIFE poster displayed in KS2/KS3 (appendix D).

4.8. (i) KS2 & KS3 Behaviours Displayed:

Positive and negative behaviours are recorded throughout the day on 'Carrot Rewards', this is accessible online by parents/carers. 'Carrot Rewards' allows parents/carers to have an overview on how their child's school day has been allowing for discussions and encouragement (appendix E). Students earn 'Carrot Rewards' points for positive behaviours linked to the core values of LIFE; Learning, Independence, Friendships and Emotions. Students are able to decide whether they wish to spend their points on smaller rewards e.g. £5 voucher or can choose to save their points in order to request a larger reward e.g. cinema trip. Student behaviour and attendance in lessons is logged by classes on Carrot Rewards in order to detect patterns of behaviour and allow staff to implement appropriate interventions.

(ii) KS4 & KS5 Behaviours Displayed:

Positive behaviour is encouraged and celebrated throughout the school week. Staff send positive emails out throughout the working day and these are added to the behaviour email at the end of each day. The core values are displayed throughout the school, Relationships, Integrity, Honesty, Trust and Teamwork. The acronym RIHTT is used to depict this at BBAB, we do it the RIHTT way (appendix F).

Negative behaviours exhibited by the students throughout the school day are logged on CPOMs as behaviour incident by staff and passed over to the behaviour team to manage each day; also going onto the behaviour email at the end of each day (appendix G & H).

4.9. Finishing the Day:

Students who have not completed their day successfully may be placed in detention. If the detention is not completed then the parent/carer will be contacted and the student will be in the inclusion hub from periods 1-3 the following day (Ks4/5).

4.10. Restorative Practices:

Effective Restorative Practices foster awareness of how others have been affected by inappropriate behaviour. This involves actively engaging participants in a process which separates the deed from the doer and rejects the act not the actor, allowing participants to make amends for the harm caused. Restorative Practices acknowledges the intrinsic worth of the person and their potential contribution to the school community.

5. Searching, Screening and Confiscation (LSEAT has separate searching, screening and confiscation policy)

5.1. Searching with consent:

Guidance provided by the DfE (July 2022) states school staff can search students with their consent for any item and are not required to have formal written consent from the student for any item and are not required to have formal written consent from the student for this sort of search – it is enough for the teacher to ask the student to turn out his or her pockets or if the teacher can look in the student’s bag or locker and for the student to agree.

If a member of staff suspects a student has a banned item in his/her possession, they can instruct the student to turn out his or her pockets or bag and if the student refuses, the teacher can apply an appropriate punishment as set out in the school’s behaviour policy.

Guidance states schools are not required to inform parents before a search takes place or to seek their consent to search a child and there is no legal requirement to make or keep a record of a search. As part of everyday procedures KS2, KS3, KS4 & KS5 students are searched for banned items upon arrival at school. Items such as mobile phones and electronics as well as other banned items are stored by the school some will be collected by students at the end of the day. Certain banned items may need to be collected by a parent/carer or in some cases the police, in these cases items will not be given back to the student.

5.2. List of banned items (this list is not exhaustive):

- Electronics
- Cigarettes, matches and lighters
- Vapes, e-cigarettes, shisha pens or liquids
- Chewing gum
- Fizzy drinks including high energy drinks
- Permanent marker pens
- Money

- Expensive items
- Jewellery except for a watch and stud earrings

5.2. Searching without consent:

Head-teachers and staff authorised by them have a statutory power to search students or their possessions, without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item. Prohibited items are:

- Knives or weapons
- Alcohol and illegal drugs
- stolen items
- Tobacco and cigarette papers
- Fireworks
- pornographic images
- Any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to property
- Any item banned by the school rules which has been identified in the rules as an item which may be searched for.

6. Positive Handling

6.1. Positive Handling:

If a student is not able to self-regulate and manage their feelings and emotions, then positive handling may be required. The techniques and procedures used are in accordance with PRICE Training (Protecting Rights in a Caring Environment), DfE guidelines and the School's Positive Handling Policy. All incidents of positive handling are recorded on CPOMs and parents/carers informed. Staff may employ positive handling as a last resort if:

- The behaviour of the student represents a physical danger to themselves
- The behaviour of the student represents a physical danger to others
- The behaviour of the student represents a significant physical threat to property
- The behaviour of the student represents a serious threat to the good order of the school

6.2. De-Escalation:

All staff are trained in how to De-Escalate incidents, staff will utilise their training to defuse situations which have the potential to escalate. Staff will ensure that de-escalation techniques are tailored and student specific this will ensure successful application of the technique. Student behaviour support plans will outline which de-escalation techniques are most suited to the individual.

Staff will physically intervene when a student is not able to self-regulate and manage their feelings and emotions. De-escalation is designed to support students in regulating their emotions and bring them back to their normal arousal levels.

Physical intervention is used as a last resort in order to manage a potentially dangerous situation, staff will use physical interventions for the minimum duration required to ensure everyone is safe and the student is able to regulate their emotions.

Only trained staff may employ positive handling and de-escalation techniques and procedures; however, it is a requirement of the Trust that all contracted staff are PRICE trained. Currently all permanent staff are fully trained and refresher training is provided on a termly basis. Agency staff may be trained in Team Teach which is acceptable if positive handling is required in an emergency. All staff are able to use reasonable force in order to prevent harm.

7. Responsibilities

7.1. The Trust Board:

The Trust Board will review the Behaviour Policy and support the school in maintaining high standards of behaviour. They will ensure that the application of the policy and procedures is fair and equitable with particular reference to ethnic or national origin, culture, religion, gender, disability or sexuality.

7.2. Headteacher:

The Headteacher will ensure the policy is followed consistently on a day-to-day basis by students and staff and where appropriate take necessary action when the policy is breached. They should establish a positive relationship with parents/carers and the local community.

7.3. Behaviour Support:

The Senior Leadership Team and The Behaviour/Pastoral Team will work with the staff and students to ensure that behaviour is managed throughout the school day. They will also ensure that any interruptions to lessons or break times are managed effectively and efficiently to minimise disruption to learning, whilst aiding an environment conducive to learning and emotional wellbeing for students and staff.

7.4. Staff:

Staff are responsible for ensuring the principles and practices of the policy underpin their management of student behaviour leading to a high-quality learning environment.

7.5. Students:

Students will be expected to take responsibility for their own behaviour to ensure it is in line with the Behaviour policy in and out of the learning environment. They should report any incidents of disruption, violence, bullying and any form of harassment.

7.6. Parents and Carers:

Parents and carers will take responsibility for the behaviour of their child both inside and outside of the school environment. They will be encouraged to work in partnership with the schools to ensure that high standards of behaviour are met.

7.7. Review:

The Headteacher in consultation with staff, students and parents/carers will undertake systematic monitoring, review and evaluation of the Behaviour Policy to ensure that the operation is effective, fair and consistent.

7.8. Training:

The School will ensure that the policy is explained to all new and existing students through assemblies, Home-School Agreement, form periods and within the curriculum. The School will communicate the policy to all teaching and non-teaching staff by providing copies of the policy and through staff training.

7.9. Interrelationship with other school policies:

In order for the Behaviour policy to be effective, a clear relationship with other school policies, particularly Safeguarding, Anti-Bullying, Positive Handling Policy, Exclusion Policy, Teaching and Learning and Assessment must be established.
